## Personal History

**08/22/2019 to present - Residential Youth Counselor, Youth Haven Shelter, Kirkland, WA**

- Filled out and maintained client-related paperwork, including federal- and state-mandated forms, client diagnostic records, incident reports and progress notes
- Motivated and engaged with residents to identify and complete personal goals while responsible for teaching healthy communication and daily living skills.
- Ensured that residents feel safe in the program and provide transportation to meet medical, educational and legal needs

- Served as an integral part of the team to attain the required rehabilitation objectives of the clients through progress charts
- Sustained excellent compliance with all established procedures, policies, and regulations, as well as proactively contribute to other operational efforts

**03/2018- 03/2019 - Registered Behavior Technician, MeBe Seattle, Bellevue, WA**

- Provided 1:1 ABA therapy to individuals diagnosed with behavior disorders, mental health disorders, intellectual disabilities and autism spectrum disorders in the home, community and school systems.
- Worked directly with clients aged 2-18 in the field, in their home and community to achieve greater independence through collecting data on observed behavior, collecting behavioral data assigned by a BCBA and calculating/reporting results to employer and client guardians daily.
- Implemented various ABA techniques including DTT, MTT, NET, and Task analysis to increase language and communication, cooperation and social skills, appropriate play skills, self-help skills, etc.
- Trained teachers and guardians of children with autism in the four functions of behavior, implementing behavioral goals, and modeling proper shaping teaching strategies.

**2013-2017 - Stocker/Banquet Server/Prep Cook, Maggiano's Little Italy, Bellevue, WA**

- Set up weddings and private parties and maintaining positive communication with host.
- Trained kitchen staff on proper use of equipment, food handling, and portion sizing.
- Communicated with kitchen staff to assure compliance with complex and frequently changing dietary needs of clients.
- Stored food in designated containers and storage areas to prevent spoilage/  
Conducted inventory and restocked items throughout the day.
- Training new employees within positions by explaining company protocol, procedures, kitchen cleanliness expectations and relevant information regarding the position.
